PRESIDENT’S MESSAGE

I just returned from the annual club ride to Paso Robles for the Great Western Bike Rally and had a great time. This year we had about 20 riders, several of which were new to the trip. Support was provided by Bonnie Powers driving our van with our gear and Bob Heady being our SAG driver. Fortunately, Bob had a few relief drivers (Mary Hernandez & Kathy Strain) which provided him an opportunity to get some riding in. The weather was excellent with cool mornings and warm, but not hot, afternoons. We did find two new restaurants – one in Hollister and one in King City – that were much better than the traditional stops. In Hollister, we tried the Running Rooster for the first time. The rotisserie chicken was really good! In King City, we tried The Cork and Plow which had good pub food. I am sure that we will be returning on future trips. With no mechanical issues (other than a flat or two), no lost riders, and no crashes, the ride this year was very successful. Thanks to Bob Heady and Bonnie Powers for providing the support that helped everyone and we hope you can join us next year.

On another note, you may have noticed we have a few gaps in our weekend ride calendar. If you have a favorite ride you would like to show others, please sign up for a day and send the Ride Coordinators (Joe Cheng or Mark Goroff at rides@valleyspokesmen.org) a note with the information and they will post your ride info to the club calendar. This is a great way to show off a route you enjoy and let others experience it with you.

The Board has also approved a change to club policy regarding short notice rides. Traditionally, the policy states rides can only be posted if there is at least three days (72 hours) notice. This was intended to give riders time to view the ride information and make appropriate plans. However, there have been a number of short notice show and go rides that have been sent out via the email distribution list and have elicited good attendance. The Executive Board felt it was better to have the information also posted in the calendar since all members are not signed up to receive messages via the email list (vclist). The change to club policy is to eliminate the three days advance notice and post rides to the calendar. If you are thinking about sending out a note about a short notice ride, please include the Ride Coordinators in your email notice and they will post your ride to the calendar.

Hope to see you out there as we get into the full summer season!

Steve
TOURING RIDE RATINGS

All rides are rated according to predicted difficulty.

**TERRAIN:**

1) Generally flat with a few easy grades, suitable for beginners and casual riders.
2) Mostly easy grades with a few rolling hills, a challenge for beginners.
3) Moderate grades, some challenge for the average rider.
4) Steep grades with some relief.
5) Mostly steep grades, for strong riders.

**PACE:**

ND) No Drop - this means that the group will do its best not to lose any rider. No Drop is at the leader's discretion. Out of consideration to the other riders, check with the ride leader to determine whether you should ride on a particular ride.
L) Leisurely, many regroups.
M) Moderate, occasional regroups.
B) Brisk, few stops.
S) Steady, strenuous, rapid pace.

The speeds of the following ratings can be estimated by the following:
On the flattest 20-mile route (San Ramon Valley Blvd. e.g.), the average speed would be approximately:
L=12 mph M=16 mph B=19 mph S=22 mph-plus.

It is each rider’s responsibility to assess his or her own riding ability and fitness level and compare it to the ride rating before attempting a ride. If in doubt as to which level ride you should try, it would be best to start at the lower level and ride at that level until you feel comfortable moving on to the next level. Although there are periodic regroups and most hosts do their best to keep the group together, the only rides that are no-drop are the ones specifically stated ND.

Rides listed as “Beginner Friendly” will often be ridden by our most experienced riders, who just prefer to ride at a more leisurely pace. They will assist newer riders if requested. There will be slower-paced riders on these rides and will sometimes be listed as ND. Rides may be listed as Beginner Friendly if the route is an out-and-back and can be done at your own pace with your own turn-around point. Calaveras would be a good example of this. If in doubt, contact the ride host to get detailed information about a specific ride.

Rides listed as “Advanced Rides” are at a fast pace where riders will work together in a pace-line with minimal / no regroups. Not recommended for new riders.

All riders are welcome to show up for any ride scheduled, as long as you are prepared for possibly riding the route alone if it is above your level. Route slips are distributed at the start of a ride unless it is listed as a Show-n-Go, in which case the group will decide the route and no route slips are used. It is our goal to provide as many varied rides as possible and to help guide our members and guests to the rides best suited to their riding preference / experience.

MOUNTAIN BIKE RIDE RATINGS

All rides graded according to predicted difficulty as follows:

1) EASY: Mostly flat with few hills.
2) EASY/MODERATE: Increasing hills but mostly flat; of short distance.
3) MODERATE: Generally hilly terrain with some rough terrain & occasional obstacles.
4) STRENUOUS: Long, steep ascents and descents & very rough terrain.
5) MOST STRENUOUS (GONZO): Better have a few espressos before saddling up - ridiculously long, steep climbs & drops; lots of obstacles. Always bring adequate water and food.

**HELMETS ARE REQUIRED ON ALL VALLEY SPOKESMEN Rides!!**

No headphones or ear buds (except hearing aids) of any type are permitted on Valley Spokesmen rides. No cell phone use while actively riding.

**ATTENTION:** All riders must sign a liability waiver form, which is on the ride sign-in sheet, from the ride leader.

**WEATHER:** If there is a chance of rain, snow, sleet, hail or extreme temperatures on the day of the ride, the ride status will be posted to the VS e-mail list. Or contact the ride host before the ride for an update. For Mountain Bike Rides, rain 48 hours prior to the ride cancels.

**DURATION OF RIDES:** If you wish to know the approximate length of time for any of the following rides listed - including rest stops, lunch stops, sightseeing, etc., please e-mail or call the ride host.

**CAR POOLING:** Carpooling is strongly encouraged, particularly on the out-of-town rides. Carpools are often posted to the VS e-mail list or post one yourself.

**SAFETY:** Bikes and cars have equal rights!!! Remember to use courtesy toward other users of the roadway and pay attention to ALL Vehicle Codes. Bicycle rider courtesy to motorists results in motorist courtesy to bicycle riders.

**CODE OF CONDUCT:** All Valley Spokesmen members are expected to interact with one another with respect. The use of inappropriate behavior and/or language may result in suspension leading up to expulsion from the Valley Spokesmen club. Determination of disciplinary action will be decided by the Executive Board. If you stop to take a cell phone call the group is not obligated to wait.

**VERY IMPORTANT:** ALL RIDES LEAVE AT THE SCHEDULED TIME INDICATED.

**PLAN TO MEET 15 TO 30 MINUTES BEFORE THAT SCHEDULED TIME INDICATED.**

**Note:** Ride changes, cancellations and additional rides are posted to the VS e-mail list and the web site ride calendar www.valleyspokesmen.org/ridecalendar

**RIDE REVIEWS**

May 14th  
Beautiful day for Jim and Christy's ride from Shannon on our usual Moraga Loop ride modified to include a stop at Orinda's Theater Square. Started off a bit cool but warmed up quickly when the clouds dissipated (and the climbing began). Peter

May 15th  
Alaine led us from Shannon Center down Foothill to Sunol with a return through the 'Happy Valley' area and downtown Pleasanton. Peter

May 16th  
A little on the warm side today, but otherwise good conditions to try out an alternate route for this ride between the Martinez and Davis Amtrak stations. Starting at the Amtrak station in Martinez we crossed the bridge into Benicia and continued through Fairfield, Vacaville (refreshment stop), and Dixon to the Amtrak station in Davis. We then boarded the train with our bikes (hooks are located in some of the cars) for the ride back to the start. Peter

May 22nd  
Riding from Shannon over Blackhawk and onto Las Trampas was a little cool and cloudy on Jim and Francie's ride, but at least we stayed dry. Peter

May 26th  
Had a nice couple days riding down the coast from San Gregorio and then inland to Portola Redwoods where we stayed at the Hike & Bike camping area. Today we returned over Alpine and Page Mill Rds. to Palo Alto and then over the Dunbarton Bridge to the Union City BART station.

May 27th  
Francie and Jim substituted as hosts in Gail's absence for today's Odd Friday ride from San Ramon Central Park. Beautiful sunny day for our ride past the Diablo and Blackhawk country clubs before heading south on Bollinger/Dougherty to Old Ranch and back to the start. Peter

May 28th  
Started to get a little warm toward the end, but otherwise a beautiful day for Emma's ride from Heather Farm over Pig Farm hill on our way to Pinole, over the Zampa Bridge to Vallejo, past Lake Herman, and then returning over the Benicia Bridge and through Martinez and Pleasant Hill. Riva from Benicia joined us in Vallejo and led us to Moschetti Coffee Roaster which has free tasting on Saturdays with dozens of varieties. Peter

Executive Board Meeting May 11, 2016  7:00 p.m.

Meeting called to order by President Steve Whelan at 7:00 p.m.

Present:  Steve Whelan, Rob Delfosse, Al Kalin, Jim Duncan, Rebecca Wood, Bonnie Powers, Jim Paulos, Don Carpenter

Absent:  Ken Hernandez, Kathy Koos, Dianne Thompson and Marcus van Raalte

Treasurer Don Carpenter reported our checking and saving accounts are solvent. Final accounting for the Cinderella is not possible at this time due to the fact we have not been billed by the Alameda County Fairgrounds. Tentative review made of donations and memberships made during 2015. Motion made by Jim Duncan, seconded by Don Carpenter and passed to contribute $250.00 to Adventure Cycling Association U.S. Bicycle Route System (USBRS).

Al Kalin, our Danville liaison, shared a map with us of the “Alternative Bicycle Access” on Diablo Road between Calle Arroyo and Mt. Diablo Scenic Blvd. The proposal is for a separated bicycle trail along Diablo Road on the south side. The first phase is about one quarter of a mile long and would be paved. Phase two would be about one mile in length. The third phase would be developed by Summerhill homes and be of gravel composition. Completion would be in the next 3-5 years. It is expected sixty-nine homes are to be built by this developer. Al has met with city officials including the manager, lawyers and council members. Realizing this is a safety issue, all of these persons are in favor of the bicycle trail. Discussion followed on how to safely go through Diablo Country Club. It was suggested the recreational trail be better utilized. It was further suggested Bike East Bay be requested to include this trail on the next bicycle map they create. Furthermore, signs showing this trail could be installed at
strategic locations around Danville. Three steps were recommended in seeing the Alternative Bicycle Access proposal becoming a reality: 1. Support the City of Danville; 2. A letter writing campaign; 3. Contact Bike East Bay. If anyone wishes to contact AI regarding this subject, he may be reached at 925-640-7055.

OLD BUSINESS
1. Ride Reports – The issue of Show and Go rides was brought up. In order for members to receive mileage credit, a motion was made by Jim Duncan, seconded by Steve Whelan and passed, to post the Show and Go rides on the V.S. online calendar. Ride chairman Joe and Marc to include the starting location, time and approximate mileage.
2. V.S. web site – There was no report.
3. Ride Host issue – Joe Cheng has sent a message regarding this subject.
4. Area Master Plans – Francie Cushman reported on future developments in Dublin with the widening of Doughtery Road to three lanes both way; improvements of bicycle lanes; a bicycle bridge over Dublin Blvd.; the extension of Scarlett Drive to Dublin Blvd.; a three acre Dublin Crossing Park; the Transit Village buildout near East Dublin BART Station, including a bike lane to and through the BART station. All of these projects have available funds. Dublin is attempting to make the city a bicycle friendly city.
5. Feather Pedal SAG flags – The Board is in favor of these flags. Karin Ball will be asked to obtain a design for these flags for Board approval.
6. Liability Insurance – Kathy Koos has examined our policy and will share her findings at a future board meeting.
7. Ride with GPS – tabled until the next meeting.

NEW BUSINESS
1. Ride Schedule – the current schedule is extremely sparse with little or no listings on Saturdays and Sundays.
2. Ride to Paso Robles – currently there are 20 persons signed up. There will be a pre-trip meeting on Monday, May 18th at the Powers’ place at 7:00 p.m.
3. Tour of the Sacramento River Delta – The date is October 8/9, 2016. Reservations are made; web site to be updated shortly.
4. Cinderella donations – A list of last year’s donations was distributed. Board members asked to review this list and add any new organizations they wish to be included or deleted.

GOOD OF THE ORDER
1. On June 4th there will be a “Bike Donation Pick-up Day” sponsored by Waterside Workshops (www.watersideworkshops.org). Contact Even Taylor, 510-644-2577. Meeting adjourned at 8:25 p.m. to the General Membership Meeting on June 1, 2016 at Round Table Pizza Parlor, 7841 Amador Valley Blvd., Dublin, CA.
